PRAYER

More than any other resource, the Faith Into Action Youth Conference & Family Festival covets your prayers. Please pray for the planning process, for the students and leaders involved, and for many hearts to be reached for Christ during the event.

GIVING

With all that will be provided free to the public (such as soda, food, inflatables, games, entertainment, etc.), fundraising and donations are important parts of making it all possible. **With this in mind, we ask every ministry involved to commit to a fundraising goal or to make a specific donation.** Of course, your group is certainly welcome to combine these two methods of giving. **Please note: all groups attending are required donate at least 1,000 cans of soda or bottles of water.**
