To Whom It May Concern:

Harrisburg is the capital of Pennsylvania. But when you read headlines about the city, they are generally negative: murders, robberies, and random attacks on innocent people. It is time for us to take our city back. This is the goal of the third annual "Faith Into Action Youth Conference & Family Festival." This grass-roots effort is organized by a team of churches in Harrisburg & Lancaster.

During the week of July 10-16, 2017, students from several area churches will perform community service projects across Central Pennsylvania. Last year, our team helped beautify Harrisburg School District buildings by pulling weeds, painting, setting-up libraries for the first time in 20-years; and prepared classrooms for the start of school. The event culminated with a huge FREE, family festival at Camp Curtin School in Harrisburg. Nearly 1,400 people attended. The four-hour event featured a health & business fair, inflatables, games, pony rides, haircuts (77 people), crafts, food and much more! This year, we have teamed up with the ARC of Dauphin County. They will host their event at ours, and our new name will be "The ARC of Dauphin County's Family Fun Day at the Faith Into Action Family Festival."

As part of this project, we also held the second annual "Back To School Bash." We gave away more than 1,000 backpacks filled with supplies. Did you know that 87% of Harrisburg School students live at or below poverty level? Our goal is to change that statistic by giving kids the opportunity to get the school year started off right. **But we need your help!**

The total cost for these projects will be \$40,000! This is a grass-roots effort that relies heavily on donations. We would appreciate if your business / organization would consider helping us through a financial donation, gift card, or product donation. We could also use volunteers on the day of the Faith Into Action Family Festival (July 15, 2017) or the Back To School Bash (Saturday, August 19, 2017).

Thank you so much for your consideration of this opportunity to make Harrisburg a better place to live. Please look over our sponsorship opportunities, and let us know if you can help. Every dollar counts.
