

Back to School Bash

In an effort to see students in the Harrisburg School District start the year off right, we collect backpacks and school supplies.

In 2017, we partnered with VM Innovations to bless more than 1,200 students with the tools to be successful in class!

Did you know?

85% of Harrisburg School students live at or below poverty level. Contact us to see how you can help!

Faith Into Action Youth Conference & Family Festival

About our speaker....

What is Faith Into Action?

A 7-day outreach to fulfill the Great Commission in the City of Harrisburg and its surrounding communities.

When Is It?

July 9–15, 2018

What Can You Expect?

Students will step out of their comfort zone by learning ways to share their faith, conduct city-service projects, and canvas neighborhoods with cans of soda and water. The event culminates with a huge Family Festival.

In 2017, nearly 100-students and staff helped with a summer camp in Penbrook, beautified Italian Lake & Reservoir Park, and helped at the Annville Public Gardens.

More than 1,600 people attended the Family Festival on Saturday, July 15. abc27 anchor, James Crummel served as emcee.

Brian Vickers has done it all. He is a 14-time World Powerlifting Champion, International Pro-Strongman Champion, Police Officer, and former member of Team Impact. Brian spoke to some 2-million people and did more than 1500-assemblies each year he traveled with Team Impact. He has a heart for young people and wants to see people have a relationship with Jesus Christ.

About our Worship

Leader.... Joel Vaughn

Joel Vaughn is a singer / songwriter. Growing up in the South, Joel was influenced by many musical genre's, but none were closer to his heart than pop and contemporary music. At age 7, Joel began singing at his church, and has kept going! Joel studied at West Texas A&M University, and began to lead worship for student ministries and churches in the area. Over the last 12 years as a worship leader in Texas, he has released three independent albums. All of these albums featured the rock and worship styles that he grew up with, but as he continued to progress, his music began to mature and he began to create songs that leaned more toward the contemporary pop genre. His southern drawl and humility remind you where he comes from, but his sound will show the world where Joel Vaughn is headed.
